# About The Antoinette Gala

**A**ntoinette Perry devoted her life to the theatre community. Starting out as an actor, she later became a stage director at a time when it was nearly unheard of for a woman to hold that position. Beyond her artistic accomplishments, she was tireless in her efforts as an activist, organizer, and promoter of causes that benefited and uplifted her Broadway “family.” She served as an officer for the American Theatre Wing and spearheaded many of the Wing’s wartime efforts. Passionate about bringing more people into the theatre industry, she also helped establish the American Theatre Wing Professional School, which launched the careers of Tony Bennett, Bob Fosse, Angela Lansbury, James Earl Jones, and other entertainment icons. Upon her death, the Broadway community immortalized her legacy by creating the annual “Tony Awards” ceremony.

In order to carry Antoinette’s legacy of educating the next generation of theatre artists, this gala will aim to raise an additional \$500,000 for the Wing’s Andrew Lloyd Webber Initiative, which will be matched dollar for dollar by the Edwin Barbey Charitable Trust. The Initiative catalyzes change in the American Theatre by infusing new resources into the theatre ecosystem that bolster the pipeline for historically underrepresented talent – on stage and off.

We hope that you will join us for an unforgettable, star-studded evening celebrating Antoinette Perry, as well as the past, present, and future women+ of the theatre!
